

Kelley Fox Wines Grüner Veltliner 2022

The Grüner is a really fun wine to produce, and I'm happy to offer this very small bottling to you. This wine was tank-fermented, did *élevage* in a concrete amphora tank, and is ML-complete. The colour is a transparent, high-energy pale yellow with youthful undertones of the palest spring green. I love looking at it in the glass. The nose is full of fresh, lush citrus with minerals and a hint of delicious spice. The texture is both rich and weightless, and yes, it has the classic Grüner finish of a touch of white pepper. It has wonderful acidity one might expect from an alpine wine. For me, this wine has resplendent energy.

Appellation: Willamette Valley A.V.A.

Picking Dates: Chehalem Mountain Vineyard: 21 October 2022. Hotel Vineyard: 30 October 2022

Bottling Date: 16 March 2023

Alcohol: 13.5 %
