

Kelley Fox Wines Barbie Pinot Blanc 2024

The Barbie 2024, named after my mom, is a shimmering pale gold with brilliant transparency. This Pinot blanc from Freedom Hill Vineyard was whole cluster pressed on the day of picking and then racked to a stainless-steel tank for primary fermentation, after which it was racked to a single neutral Acacia puncheon for élevage and malolactic fermentation. The nose is full of white peaches with subtle vanilla notes and soft, oceanic minerality. The mouth is the same with beautiful texture and weight balanced by the acidity. It's easy to see that this is white Pinot.

Appellation: Willamette Valley A.V.A.

Picking Date: 10 October 2024

Barrels: fermented in a stainless tank and racked to a neutral Acacia puncheon (500L) for élevage and malolactic fermentation

Bottling Date: 31 March 2025
